

Dear Candidate,

thank you for applying to the MA in *Business Management* program at the Faculty of Management in Łódź University, Poland.

As part of the admissions process we require that each candidate participates in an interview. This interview serves the purpose of verifying the candidate's: 1) language competence, 2) general motivation to study in this particular study program, as well as 3) the potential value that each candidate may bring to the in-class proceedings.

To prepare for the interview, please do the following:

1. type "google scholar" in Google search engine
2. in google scholar type:
 - management in internet of things environment, or
 - artificial intelligence management, or
 - internet of things and organization culture, or
 - space and complexity in management;
 - last mile problem.
2. from the results provided by the search engine choose one of the texts, .pdf format);
3. read the text;
4. complete the **one page** template (text.description);
5. be careful to use size 12 font and to keep a **one page** format;
5. name the file using the following naming convention: "GivenName.LastName.doc";
6. return the **one page** (with your text in font 12) file with the completed template to jurek.s.czarniecki.business@gmail.com
7. do all these at least one day before the scheduled time of your interview.
